

2915 PROGRAM MONITORING - INSPECTIONS

2915.1 The Administrator shall make or cause to be made those inspections which are necessary to determine compliance with Program requirements.

2915.2 The Administrator shall take those additional actions deemed necessary to assess compliance with the provisions of the abatement agreement including, but not limited to, the following:

- (a) Reviewing the records of the Office of Tax and Revenue;
- (b) Requesting verification of required insurance coverage; and
- (c) Reviewing the records of the D.C. Recorder of Deeds.
