

1702 ALLOCATION OF FUNDS

- 1702.1 For each annual appropriation of funds for the Tenant Assistance Program, the Director is authorized to make tenant assistance payments to support the programs identified in § 1700.3.
- 1702.2 DCHA shall maintain a system to ensure that payments under the different programs do not exceed the total appropriations available for the overall Tenant Assistance Program in any fiscal year. This system may include, but is not limited to, the following:
- (a) A means for assuring that certificates of eligibility issued under the Special Priority, General Application or other tenant assistance programs will be honored if eligible units are located by applicants; and
 - (b) A means for assuring that annual contract payments committed under multi-year contracts to specific housing units, taken together with other program payments, do not exceed annual appropriations.
