

2101 PUBLIC NOTICE FOR APPLICATION

2101.1 DCHA shall receive applications for the lease in-place program during a prescribed period of time following public notice.

2101.2 Public notice of the availability of assistance under the lease in-place program shall include, but not be limited to, notice by the following means:

- (a) Publication in newspapers of general circulation in the District of Columbia:
- (b) Publication in minority media; and
- (c) Notification to the District of Columbia Office on Aging and other District agencies and private city-wide organizations representing elderly citizens or tenants.

2101.3 Public notice shall include the time period for application, how application forms may be obtained, where and how applications shall be received, who is eligible to apply, priorities for applicant selection and other information relevant to the application process.

2101.4 Public notice may include a preliminary estimate of the number of units that are to be assisted under a specific application period, but such estimate shall not be binding on DCHA.
